line at each end
of the court, that
runs parallel to
the net.

Carry

An illegal stroke
occurring when
the shuttle
comes to a stop
on the racquet.

Terminologies

Center Position

Also known as the base position, the central area of the court where ideally a singles player wants to return after each shot.

Clear

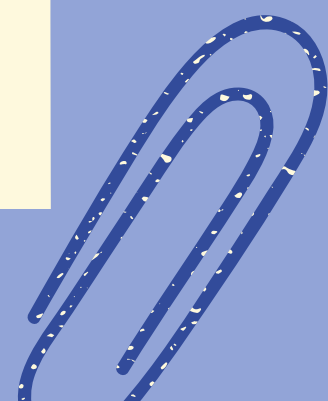

A shot hit deep to the opponent's back court.

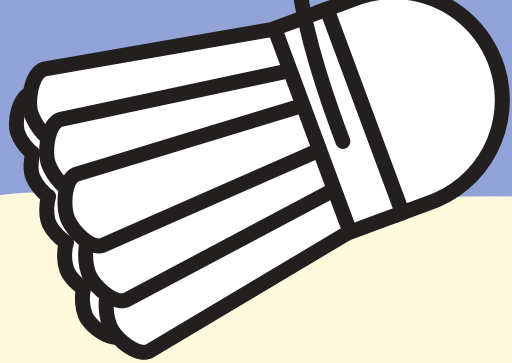

Cross-court

A shot hit diagonally over the net, from one side to the other.

Double hit

Hitting the shuttle twice (a fault).

Terminologies

Drop shot

A soft shot played with touch, so the shuttle falls close to the net on the opponent's side.

Drive

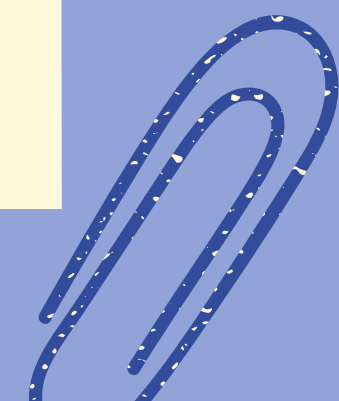

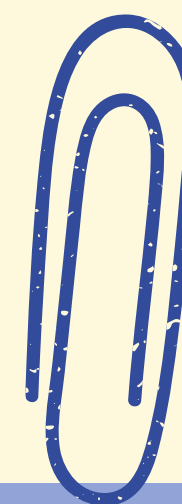

A powerful shot placed just over the top of the net.

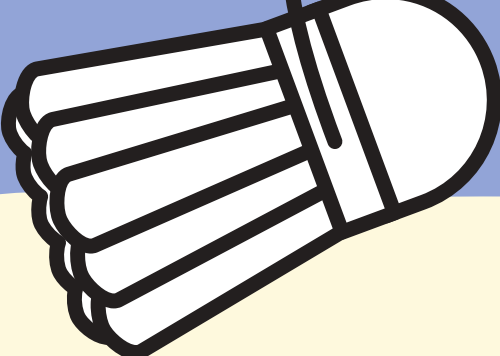

Doubles

two pairs of players form teams and compete against each other, resulting in a game of four players

Fault

A violation or infraction of the rules.

Terminologies

Flick

A quick movement of the wrist and forearm that changes a soft shot into a harder one; mostly used when serving or close to the net.

Forecourt

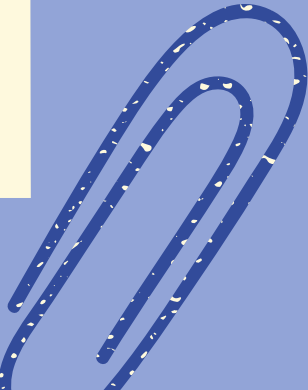

The front third of the court, between the net and the short-service line.

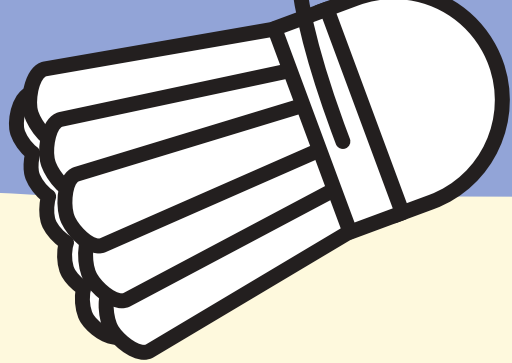

Kill

A hard, downward shot that is not returnable by the opponent.

Let

A call by the umpire to restart a point.

Terminologies

Mid-court

The middle third of the court.

Push shot

A soft shot executed by "pushing" the shuttle with small wrist movement.

Rally

An exchange of shots following the serve.

Shuttlecock

It is made of a cork with sixteen goose feathers glued to its rounded base.

Smash

A hard, powerful overhead shot sending the shuttlecock downward to the opponent's side.
